

DRUG SCREENING

1. Take form to nearest Quest Laboratory for your drug screen test.
2. To find the nearest location, please visit Quest's website at www.questdiagnostics.com. Once on the site, click the link which states "FIND A QUEST LOCATION". You may type in your full address or just a city and/or zipcode to find the Quest Lab nearest or most convenient for you.
3. Please make certain the location you choose does Urine Drug Screens(UDS). This screening is done strictly for employment purposes and is also known as a "chain of custody" drug screen.
4. There is no cost to you or your insurance company. The fee will be paid entirely by HealthPro Staffing Solutions.
5. If you currently take any prescription medications, please notify the lab technician when you go for your test. If possible, bring the bottle with the original prescription label.
6. Please notify HealthPro after you have gone for your drug screen.
